Reviews

*This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Cassandra Von)*

BRITAIN IN 2010: THE NEW BUSINESS LANDSCAPE

John Wiley and Sons Ltd. Paperback. Book Condition: new. BRAND NEW, Britain in 2010: The New Business Landscape, Richard Scase, Britain in 2010: The New Business Landscape focuses on the continuities and discontinuities in the changing social structure of Britain. This text is a landmark vision of the country's future at a time of unprecedented opportunity. It asserts that by 2010 traditional family forms will no longer be the foundation of society; 1001 lifestyle tribes will replace age and income groups; self-centred, self-indulgent and hedonistic citizens will be freed from traditional obligations, making them restless consumers.
