The banking and financial system can not expropriate or constantly plundering the resources of a territory through the divine intervention of the central banks and issuing debt-money created from nothing only for its large private banks that enslave humanity through invented fraudulent debt and associated interest payments that has not been created, the latter being the cause of the deficit and the ongoing perpetual bankruptcy inevitable absence all the money in the system. You return to a Global Management Human Affairs depoliticized the power to issue debt-free money to replace all the existing money supply, and interest associated create public spending intended to replace and eliminate taxes while taxing unfairly work and consumption. Cancelled Debt, Start Disable Fractional Reserve Banking reserves and increase public and private banks to 100, ie only pay what they can not allow them to create fraudulent loans based on the collection of notes (promises payment) in exchange for granting fictitious credit with no money and this principle the cause of inflation is nothing more than a hidden tax on the public and that is the new...
