When war invaded their town in the summer of 1863, Gettysburg was a terrible and frightening place for Sadie and Mollie Shriver. Instead they found themselves in the midst of the violent battle caring for wounded soldiers. Life would never be the same, especially after their father is taken prisoner and dies at Andersonville Prison and their mother remarries. By the summer of 1867, the Civil War has been over for two years, but is not forgotten. Life is slowly returning to normal. Mama has remarried and Sadie and Mollie have a new baby sister. During their summer vacation, the girls meet Jason and Amy, new neighborhood kids who have moved to Gettysburg from Baltimore.
