Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from John Stewart: Missionary to the Wyandots The Methodist Episcopal Church from its organization in 1773 was missionary in its spirit. It made continuous efforts towards the conversion of the whites and blacks, but the red men of the forest were passed by. The minutes of the annual conferences, at the beginning of the last century, reported in separate columns the numbers of whites and blacks in each society, but no figures for the Indians. The Methodist Episcopal Church was aggressive in the older States and passed into the Northwest Territory and the greater West and South. In the providence of God John Stewart was the apostle to the heathen Wyandots, and the founder of the first Methodist Episcopal Mission among the heathen. Before the advent of Stewart the most cruel and bloody practices obtained among the Wyandots. In this respect they were not different from the other Indian tribes of the Northwest. The burning of Col. Crawford, when a prisoner, is evidence of this. Even the women and children participated in torturing him. We need not repeat the story here. The Wyandots were the leaders in this savage deed. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
