NEUROPHILOSOPHY OF CONSCIOUSNESS, VOL. V AND YOGI

Trafford Publishing, United States, 2013. Paperback. Book Condition: New. 279 x 210 mm. Language: English . Brand New Book ***** Print on Demand *****.In this continuation of our speculations and conjectures about brain dynamics as it pertains the attainment of the introspective self conscious state and the concomitant brain proto language faculty activation -both sine qua non antecedents to the decision making process- we are now trying to get a clearer picture about what seems to our species confusion of consciously experiencing two simultaneous but opposing perspectives of the same existential 4-d reality and how it may impact the conscious free judgment on the priority to be assigned to any important and relevant issue to the human species. Which one should we adopt to guide our lives today and the day after tomorrow ? Of course we are more concerned with the above average responsible citizen looking beyond the conveniences of a quotidian hedonistic Sartrean existentialism where pleasurable enjoyment is routinely satisfied ahead of known but ignored necessities for the lasting survival of the human species generations ahead. How can we reconcile these seemingly opposing views we need to take into account? This realistic approach is called compromise, hybridization or complementarity and the assumption that hidden variables -if any- beyond human brain phenomenological or combinatorial threshold would always bring Heisenberg-type uncertainties to reckon with. These can be either the choice of exclusive biopsychosocial (BPS) imperatives for any living species survival as opposed to the altruistic, spiritual life against self interests of the historical prophets or the more familiar Einstein, Podolsky, Rosen (EPR) complementarities between the position of a particulate object of mass (m) and its momentum when we try to measure them. Likewise for energy and time. Underlying these seemingly opposite/contrasting appearances are subthreshold physical interactions. These considerations force you...
