Pwp Publishing, United States, 2012. Paperback. Book Condition: New. 280 x 214 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.English Grammar and Writing Made Simple is an outgrowth from frustrations experienced while working with students who need a much better formal understanding of the language they speak daily. While all of these students are highly communicative or verbal, many of them do not have a great facility with Standard American English and many are reading far below grade level. Therefore, the challenge for me was to develop learning processes for students to attack the language on a level that was within the bounds of their current skill level and to build upon their understanding of language, in general, to acquire a level of sophistication that they needed to do well as they progress through their studies and to do well on tests that purport to measure their linguistic abilities and verbal skills. It was also realized that this booklet would be an excellent primer for those who are learning English as a Second Language, or for those who learned to speak the language but did not acquire a sufficient understanding of its formal structure. The initial lesson starts with a simple two-word sentence, Sasha barks, and then adds other elements and features to demonstrate ways to change the character, complexity and intent of the sentence. Each element is explained and shows how it relates to the remainder or other elements of the sentence. The idea is to show how to build a sentence in order to build paragraphs in order to create more complex writings such as compositions, essays and novels. This is an incremental approach that does not overwhelm students, and it allows them to use and digest small chunks of the language and to...
