Pearson Education (US), United States, 2013. Online resource. Book Condition: New. 5th edition. 229 x 165 mm. Language: English . Brand New Book. Used by over 1.5 million science students, the Mastering platform is the most effective and widely used online tutorial, homework, and assessment system for the sciences. The eText pages look exactly like the printed text, and include powerful interactive and customization functions. This is the product access code card for MasteringBiology with Pearson eText and does not include the actual bound book. Supports and motivates you as you learn to think scientifically and use the skills of a biologist. Scott Freeman s Biological Science is beloved for its Socratic narrative style, its emphasis on experimental evidence, and its dedication to active learning. In the Fifth Edition, the author team has expanded to include new members-bringing a fresh focus on accuracy and currency, and multiplying the dedication to active learning by six. Research indicates that true mastery of content requires a move away from memorization towards active engagement with the material in a focused, personal way. Biological Science is the first introductory biology text designed to equip you with a strategy to accurately assess your level of understanding, predict your performance, and identify the types of cognitive skills that need improvement. 0321842170 / 9780321842176 MasteringBiology with Pearson eText -- ValuePack Access Card -- for Biological Science.
