

A History of Sumer and Akkad: An Account of the Early Races of Babylonia from Prehistoric Times to the Foundation of the Babylonian Monarchy

Filesize: 8.35 MB

Reviews

It is one of the best publications. It is definitely simplistic but exciting in the 50% of the ebook. I am very happy to let you know that this is basically the greatest publication I have ever gone through within my own existence and could be the greatest PDF for ever.

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.From the preface: THE excavations carried out in Babylonia and Assyria during the last few years have added immensely to our knowledge of the early history of those countries, and have revolutionized many of the ideas current with regard to the age and character of Babylonian civilization. In the present volume, which deals with the history of Sumer and Akkad, an attempt is made to present this new material in a connected form, and to furnish the reader with the results obtained by recent discovery and research, so far as they affect the earliest historical periods. An account is here given of the dawn of civilization in Mesopotamia, and of the early city-states which were formed from time to time in the lands of Sumer and Akkad, the two great divisions into which Babylonia was at that period divided. The primitive sculpture and other archaeological remains, discovered upon early Babylonian sites, enable us to form a fairly complete picture of the races which in those remote ages inhabited the country. By their help it is possible to realize how the primitive conditions of life were gradually modified, and how from rude beginnings there was developed the comparatively advanced civilization, which was inherited by the later Babylonians and Assyrians and exerted a remarkable influence upon other races of the ancient world. In the course of this history points are noted at which early contact with other lands took place, and it has been found possible in the historic period to trace the paths by which Sumerian culture was carried beyond the limits of Babylonia. Even in prehistoric times it is probable that the great trade routes of the later...
