Being caretakers of the Earth is more important today than ever before, and Ocean Friends brings that message to life for children, with simple, concise language and enjoyable prose. Ocean Friends envelops children in the breathtaking underwater kingdoms of the world's oceans, providing them with a deeper understanding of the plants and animals that live there, as well as touring the often startlingly beautiful landscapes of the marine world. Ocean Friends is comprised of carefully selected photographs and brief, educational captions, and serves as an early resource to parents seeking to instill in their children a love for the environment. Ocean Friends is the first step on the path of teaching children that the entire world is their responsibility, and that it is absolutely worth protecting. Great for teachers too!
