Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A gay romance from best selling author R.P. James It turns out I m getting a hell of a lot sweatier after my workout than I did while it was happening. I m at the gym, but I can t concentrate on my workout at all. Everywhere I look, I see temptation after temptation, pulling me in the direction of my suppressed gay impulses, making me think about things that I m trying not to, the sweaty, heaving forms of so many studly men getting me hard and driving me to distraction. Finally, I can t take it anymore. I can t even get a shower, stunned as I am at the sight of the naked man in there when I try to go in, and so I head back in the direction of my dorm, watching videos on my phone as I walk so as to avoid being tempted, and hoping that soon I ll be able to rid myself of this God awful curse. Suddenly, however, things grow more difficult than ever, when I find myself running, boner-first, into a well dressed stud, and spilling coffee all over his good clothes. For a moment, he s understandably irate. That is, until he spots my rather obvious predicament of arousal, and offers me a very desirable solution to the problem. \*Warning: This book contains lots of HOT sex, drama and adult language. If this is not the kind of stuff you like to read, then start now and see what you have been missing;-) Enjoy!\* A standalone GAY ROMANCE with a happy ending from best selling author R.P. James.
