The five basic senses: taste, touch, sight, sound, and smell shall be explained and set into relation to the brand elements. A lot of marketers discuss about Emotional Branding as the future approach without exactly knowing what this term contains. The aim of this diploma thesis is the development of a conceptual approach in form of a guideline with the key components to emotionalize brands, to give them a face and a character in order to reach the overall aim: the identification of customers with the brand. The first part of this work provides the basic knowledge. It explains and defines in addition to the basic terms brand and branding , terms like brand image , brand identity and brand equity . The second part describes the changes in buying behavior, the changing needs and different perceptions of today s customers. The three main generations are explained to demonstrate the need for Emotional Branding as a new kind of branding tool. Additionally the explanations to hybrid buying behavior and smart shopping will show the necessity of a positive brand experience and the change from Branding to Emotional Branding. It gives a definition of Emotional Branding and a short introduction to the instruments that can be used to support the brand elements, which are closer...
