You do not need to know any French to enjoy reading this book as the 120+ very typical phrases contained in the book are translated literally into English and introduced in context through five hilarious anecdotes (all in English too), depicting two young Frenchies first trip in England. A glossary in both languages is also provided after each story to further assist you into guessing and enjoying the meaning of these handpicked expressions. This book is aimed at any adult reader with a good sense of humour and/or an interest in the French language and culture. The perfect gift book!
