## MENTAL MATHS TESTS: 13-14 LOWER TIER (MIXED MEDIA PRODUCT)

Bloomsbury Publishing PLC, United Kingdom, 2007. Mixed media product. Book Condition: New. 297 x 210 mm. Language: English . Brand New Book. Each CD features five complete mental maths tests reflecting the style of mental maths tests that KS3 students are given in Year 9. These government tests at either the lower or higher tier are compulsory at the end of Year 9. The Andrew Brodie Mental Mental maths tests are entirely on a CD which contains both audio files for the spoken element and printable pdfs for the write-on test sheets. The teacher can then simply print out the required number of pupil sheets and play the CD on a computer or CD player. The audio is a particularly important element of this product because: - it provides a different voice to reflect true test conditions - the tests involve very specific time requirements between questions for children to do their working and this allows the teacher to work with the pupils without having to worry about the timing element After the test the question sheets can be displayed on a whiteboard for discussion or the answer sheet can be displayed for students to mark their own work.
