

## Basics of Guidance and Counselling

By Dr Shah Alam

Global Vision Publishing House, 2008. Hardcover. Book Condition: New. The present book is an attempt to bring clarity to the subject of guidance and counseling for those who wish to take it up professionally as a career. Keeping this in view, the present book has been written with three clear objectives, (i) to enable learners to understand the real meaning of guidance and counseling, (ii) to give the professionals all essential information and, (iii) to make the students, irrespective of their discipline, in developing insight into guidance and counselling. It is hoped that the humble effort made in the form of this book will assist in the accomplishment of the understanding of the various concepts, and methods applied in guidance and counselling. Regarding the organization, the book consists of twenty five chapters. This book is primarily intended to serve as a textbook for graduate, post-graduate students as well as for professionals working in the field of guidance and counselling. It is hoped that the book shall provide meaningful insights to all interested in guidance and counselling. This book is, in fact, a sharing of my experience of teaching the subject at graduate and postgraduate levels as well as my experience...
