

## Beyond Individualism

By George Rupp

Columbia Univers. Press Sep 2015, 2015. Buch. Book Condition: Neu. 220x151x24 mm. Neuware - In many places around the world, relations between ethnic and religious groups that for long periods coexisted more or less amicably are now fraught with aggression and violence. This trend has profound international implications, threatening efforts to narrow the gap between rich and poor. Underscoring the need for sustained action, George Rupp urges the secular West to reckon with the continuing power of religious conviction and embrace the full extent of the world's diversity. 205 pp. Englisch.
