Even though they and their babies have never been safer, pregnant American women are frequently subjected to needless anxiety, excessive medical testing, incorrect or misleading information, and an outrageously high cesarean rate, all under the guise of modern obstetric care. It doesn t have to be this way. American obstetric care is in need of major changes and pregnant women have the power to make those changes. Empowered Pregnancy will show American women how to use their power to get the most satisfying experience from their pregnancy and delivery.
