GETTING STARTED: LONG EXPOSURE ASTROPHOTOGRAPHY

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 344 pages. Dimensions: 9.1in. x 7.5in. x 0.9in. A primer and a fully-formed, practical format for entering the world of long exposure astrophotography, Allan Halls Getting Started: Long Exposure astrophotography brings the rewarding pursuit of stellar imaging to your bedside table. With academic flare and his signature approachability, Hall utilizes a suite of formats to provide readers with everything they need to begin - and develop. From charts, images, purchasing guides, walkthroughs and detailed descriptions, this Getting Started title is an in-depth resource for todays astrophotographer at any level of their discipline. Leading up to an incredibly useful list of the first twenty-five objects an astrophotographer might image with long exposures, this Getting Started title also offers a range of equipment advice and grounded descriptions of why certain phenomenon occur - as well as what they will mean for you and your shoots. Though founded in the clarity and precision of science and photography, astrophotography can nonetheless be one of the most artistic and even sensual crafts, as well as one of the most daunting. A road map is essential when pursuing a rich experience imaging and cataloguing the night sky. Getting Started: Long Exposure Astrophotography, with over 200 illustrations, images, charts and graphs bolstering its clear and instructive text, takes readers from practical equipment purchases, savvy preparations, and understanding of heavenly bodies, with the proper - and smart - ways to capture their expansive sight, intimate motion, and breathtaking portraiture. From purchasing your first astrophotography telescope, hooking up your camera, taking long exposure images, and finally processing that finished image, this book is rich with provisions and tips. Hall expertly balances his own procedures with general and inclusive guides from set-up to software recommendations....
