

Household Hacks: Simplify Your Life with 25 Easy DIY Household Hacks

By Malinda Bern

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Household Hacks: Simplify Your Life with 25 Easy DIY Household Hacks Are you fascinated with creative uses for common household items you use every day? Do you want your old or unused household items to be put to valuable use? Don't buy another item to accomplish a certain task. Instead, utilize something for the task, although it's not that something's intended use. Don't let your old stuff just sit in the corner of your house, but don't throw it away either. Find ways to make it of valuable use-to save money, get rid of clutter, and live an uncomplicated life. You probably have some ideas for alternative use for some household items, such as using a clothespin to clip objects you're gluing together. If you really want to make your life easier, you should gain more knowledge of household hacks. Household Hacks: Simplify Your Life With 25 Easy DIY Household Hacks aims to help the average homeowner find quick and creative solutions to common everyday problems. It's the...
