He'd rather have a drink and stay away from murder and the supernatural, but he'll have no peace before he's cleared his debt. So Drake takes on one last kill job - and things only get worse for him when he discovers his victim was just a kid. Suddenly, Drake's on everyone's bad list. His only friends are an archdemon trapped inside an ancient artefact, and Trixie, who smokes too much and happens to be as close to a fallen angel as you can get before you're Lucifer himself. If Drake's going to find redemption, he's going to have to fight Peter McLean's debut is the first in a dark, funny urban fantasy series that pits a very British antihero against universal evil.
