When their ancestral lands in the Scottish Highlands are threatened, three ancient ghosts of the castle need one of their clan from the living world. They call the young Cape Cod witch across the sea. Elsbeth has a personal calling to protect the natural world, and her own need to know more about her family line. With help and hindrance from her classmates who've been swept along, and newfound allies and opponents both magical and not, Elsbeth is drawn deep into the present danger and the mysteries of the old country and her heritage -- well above her magic level. She must find a new measure of herself, and use all she can of the past and the present to make a future for her family and her friends.
