Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It was an unusual happening for sure, a random confluence of a group of people, all apparently unrelated, brought together by a common inconvenience-disrupted air travel. The end result resembled a modern day Canterbury Tales, in which I find myself in the role of the storyteller-- the narrator. Actually, that is just one of the results. In reality, there were many results that provided a poignant glimpse into death, eternity, and most importantly life. It all started on a late October day back in 1967 and the story spans over 10 years. And the ending? Well, the final ending, the final outcome, really has a lot to do with you! In fact, it has everything to do with you!.
