Brand New Book ***** Print on Demand *****.Christian apologetics is a dynamic field of theology that serves to offer a rational defense for the Christian faith. The study of Apologetics allows Christians to defend the faith against objections, and expose the flaws of other worldviews. In 1 Thessalonians, Paul writes that we should test all things and hold fast that which is good. As Christians, we can test all things against the scriptures using science, archeology, philosophy and reason. In this book, my goal is to simplify the mounds of data that clearly demonstrate God s existence, the deity of Christ, and the authenticity of the Bible so that any Christian can give a defense with boldness, reason and clarity. As a teacher, it s my hope that you learn something useful from this book that can be integrated into your personal ministry. There is no better accomplishment for the Christian than to help someone find the truth and see the light of Christ. The bible says there will be, Joy in heaven over one sinner who repents. I hope that you use this book as a manual to help others become the object of heavenly joy as you continue down God s path growing in knowledge, wisdom, and faith in Christ.
