Gotham, 2006. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: The complete inside story of the shocking steroids scandal that made headlines across the country - told by the award-winning reporters who broke the story and featuring major new revelations about high-profile athletes. For years, in the shadowy reaches of the world of sport, there were rumors that some of our nation's greatest athletes were using steroids, human growth hormone, and other drugs to run faster, jump higher, and hit harder. But as track stars like Marion Jones blazed their way to Olympic medals and sluggers such as Mark McGwire brought fans back to baseball with stratospheric home runs, sports officials, the media, and fans looked past the rumors and cheered on the stars to ever-higher levels of performance. Then, in December 2004, after more than fifteen months of relentless reporting, San Francisco Chronicle reporters Mark Fainaru-Wada and Lance Williams broke the story of the Bay Area Lab Co-operative, a tiny nutritional supplement company that according to sworn testimony was supplying elite athletes, including baseball MVP Jason Giambi, with banned drugs. The stories, exposing rampant cheating at the highest levels of athletics, shocked the nation as sports heroes were brought low and their records were tainted. The exposés led to Congressional hearings on baseball's drug problems, and a revived effort to purge the U.S. Olympic movement of drug cheats. Now, in Game of Shadows, Fainaru-Wada and Williams tell the complete story of BALCO and the investigation that has shaken the foundations of the sporting world. They reveal how an obscure, self-proclaimed nutritionist, Victor Conte, became a steroid svengali to multi-millionaire athletes desperate for a competitive edge, and how he created superstars with his potent cocktails of miracle drugs. They expose the international web of...
