Such records will also make it possible to obtain facts for studies in retardation, rapid progress and other important school questions. Items. There were two perfect records for attendance during October, 1912, --Miss James second grade at the Winthrop School and Miss Stone s seventh grade at the Centre. A table in theAppendix shows that Everett registered 1597 pupils who either entered or left the city schools during the year or were transferred from one school to another within the city. The past year establishes a new record for changes in the teaching force. There were thirty-one withdrawals, thirty-six appointments, and fifteen transfers. Twelve of the thirty-one resigned to accept positions elsewhere at increased salaries. Schools opened in September with twenty-five new teachers and forty new to their positions--about one-fifth the total number. The first week in June, the teachers of grades four to eight inclusive marked the results in mental arithmetic. Beginning with the first one of the June problems, each class had daily ten problems in ten minutes--fifty in all. Fourth grades averaged 74 per cent; fifth, 72; sixth, 72; seventh, 65; eighth. 67. This means that average pupils can solve without hesitation 70 per cent of the problems the teachers selected. Principals report that they feel rather confident the children are gaining in power to recognize and retain the essential facts and conditions in the problems as read, and are able to solve a larger per cent...
