### Reviews

*Undoubtedly, this is the best function by any writer. This really is for those who statte there was not a really worth reading. Its been written in an exceptionally basic way which is merely right after i finished reading through this book by which really transformed me, change the way i really believe.*

Chipmunka Publishing, United States, 2014. Paperback. Book Condition: New. 200 x 126 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.How can an average lad from Sheffield go from living a normal life to attempting suicide twice, having 3 psychiatric hospital admissions and being sectioned under the mental health act? My story delves into my life, in parts it is shocking, in others it is enlightening but what I try to do is give a true account of my life living with Psychosis, Depression and Bi Polar. I hope I can try to break down the barriers of mental health and go some way in reducing stigma. It's hard to put into words the unimaginable darkness that can descend upon your life in such a short amount of time. It feels like the lights have been switched off in your world and the sun has set for the very last time. This descent into oblivion is beyond description, the fear that runs through your core is like something you have never felt before. You try to fight against this black hole that you are being dragged into but you cannot. You are buried deep in the void, a perpetual abyss far beyond human imagination. They say pain doesn't last forever but here it does. You know there is no way of being set free, the feeling of despair, loneliness and dread consumes every fibre of your being and distinguishes any fraction of hope left within you. Life becomes a waiting game, you know your purpose on this earth is no more and you are now an unwanted item that is waiting to be disposed of. Although you know the end is approaching you cannot find peace within yourself, your time on this world may be...
