Most people today view marriage as a means of looking for love, happiness, and fulfillment. Make no mistake about it, those things are important. Those things are critical. They are just not the most critical. Tony Evans Marriage Matters paints a picture of what it means to have a happy marriage as God defines happiness. By examining the nature of the covenant and the purpose of marriage, Tony Evans gives steps to developing and maintaining a healthy relationship. In his approachable style, Dr. Evans explains the origins, order, and operation of marriage in its relation to Scripture. If the profound fruits of your marriage have turned into something mundane, or the validity of the covenant of marriage eludes you, then join Tony Evans in figuring out why Marriage Matters.
